

***Water With Blessings** invites you to gather a “village” of supporters—whether it’s your family, church, mosque, sports team, school, or workplace—to join us in our Village By Village campaign. **Every \$75 you raise helps bring clean water to 4 families in Haiti for a lifetime.** That’s a small investment with a huge impact! Everyone*

*(including young children!) can take part. Below is a list of ideas to get you started...or think up some of your own. There are hundreds of ways you can help bring clean water to God’s thirsty children!*

## 10 creative ways to get involved...

- 1. 10,000 Steps** Gather team members who pledge to walk 10,000 steps a day over a certain time frame in exchange for sponsorships. To keep costs down, there are plenty of free apps that count steps.
- 2. Community Yard Sale** Everyone has a closet or garage full of things that they need to get rid of, so urge your community to bust out their old lawn mowers, clothes, and furniture to give for a good cause.
- 3. Raffle** Ask local businesses such as restaurants, boutiques, and salons to donate gift cards or gifts for a community raffle.
- 4. Dress Down Day** Get your school or workplace involved. Ask participants to contribute \$5 to wear jeans or casual attire in place of uniforms or business attire for the day.
- 5. Cold Water Plunge** You’ll need a cold body of water, eager plungers, insurance, and medical professionals on-hand. It takes preparation, but the reward is watching supporters jump in cold water to support the cause.
- 6. Babysitting** If you have the space and folks eager to babysit, then this is a great fundraiser. Try offering babysitting services so that parents can shop for the holidays, for example.
- 7. Board Game Tournament** Teams of people compete together during a board game tournament to raise money. Ask local businesses or supports to donate prizes for tournament winners. And, you can give “bonus points” to board game participants/teams that fundraise on their own.
- 8. Coffee Donation** Many workplaces offer free coffee for their employees and visitors, so talk with your employer about setting up a donation jar. Coffee drinkers can be encouraged to drop .50 cents into a jar for each cup of joe, for example.
- 9. Giving Tree** This popular holiday fundraiser can be run year round. Set the tree up in a lobby or another public area to maximize exposure.
- 10. Company Match** Does your company offer match donations? Check out DoubletheDonation.com for company leads within your own community.
