Knitted Water Filter Sock (2 needles)

Original pattern created by Dorene Stapher of Louisville KY. Thank you, Dorene, for sharing your gifts with our mission! The hearts of Water Women around the world will be touched by these useful and beautiful little gifts. Blessings for that! Sister Lorraine

This "sock" is designed to prevent cracks if the filter is dropped. It also provides a wonderful personal touch that carries a special message of care to the receiving Water Woman. We suggest you say a prayer as you begin and/or conclude the sock—a prayer of blessing for the Water Woman and her ministry. Just imagine... this project will go from your hands into the hands of a mother who will cherish it for years to come.
